MARIUS

Marius is a recent transplant from Solace, an isolated Pargrun keep in the harsh region of Galawain's Tusks. Born into one of the most uninhabitable areas in the Living Lands, Marius learned quickly how to survive, and even thrive, in the wilderness, becoming one of the Lands' most sought-after hunters and guides. The downside is, now that he has left Solace for the wider wilderness, he has yet to find a place to call home, and he feels far more comfortable facing the dangers and hazards of the wild than he does among the comforts of civilization.
